Eating and drinking healthy is important, but it should also taste good! That's why we serve Cool Bear lemonade with our kids menu 't Blye Mael. Cool Bear uses only the best ingredients found in nature. That means there is no added sugars or any artificial sweetener in the lemonade. Cool Bear doesn't only taste good, but it's also a responsible choice. And that's the way we like it.

Potage à la reine

This soup is thought to have been created in honour of Princess Marguerite de Valois (1553-1615), daughter of Henry IV and Catherina de Medici. She adored this unusual soup, which is made from both fowl stock and mushroom stock.

As Catholicism reigned supreme in the french court, a Lenten version was made without fowl or dairy, but with carp, pike, onions and cloves

Make a combination of BEER AND JENEVER

De Vijf Jenever of Wynand Fockink can be combined with **Zatte tripel** from **Brouwerij 't IJ**. The Five Jenever is aged at least 5 years in French and American oak, the scent is vanilla-sweet, complex with clear wood tones and a taste of raisin. These flavors harmonize with the grain flavor and dry aftertaste of the Zatte tripel.

Roggejenever (rye jenever) of Wynand Fockink can be combined with **the Haring Arie (IPA)** of **brewery Penose**. Rye is an old grain variety and gives this jenever its notes of rye malt with a sweet hint and a bit of juniper taste. Because the IPA of Penose is also made with rye, these sour flavors come together nicely.

Sea fever

I must go down to the seas again,
to the lonely sea and the sky,
And all I ask is a tall ship
and a star to steer her by;
And the wheel's kick and the wind's song
and the white sail's shaking,
And a grey mist on the sea's face,
and a grey dawn breaking.
I must go down to the seas again,
for the call of the running tide
Is a wild call and a clear call
that may not be denied;
And all I ask is a windy day
with the white clouds flying,
And the flung spray and the blown spume,
and the sea-gulls crying.
I must go down to the seas again,
to the vagrant gypsy life,
To the gull's way and the whale's way
where the wind's like a whetted knife;
And all I ask is a merry yarn
from a laughing fellow-rover,
And quiet sleep and a sweet dream
when the long trick's over.

Based on this poem by John Masefield (Dutch translation by Jacob Slauerhof), Wynand Fockick created the Sea fever liqueur exclusively for The National Maritime Museum. Its base is a Superior Jenever, enriched with galangal root, laos root, ginger, mace and lemon juice.
